WHITMAN-HANSON REGIONAL H.S.
1987 RETROSPECT

A DEDICATION . . . . . .

IN MEMORIAM
MR. WILLIAM J. SPRATT
CHAIRMAN SOCIAL STUDIES

a faculty leader whose contributions began the day
Whitman-Hanson first opened its doors

He gave thirty-four years of service to our community and had a founder's affection for Whitman-Hanson. He was a model of kindness and over the years he helped to define all that is worthy about our school. We have been enriched by his good humor and the gift of his friendship.

— WE MISS HIM —

"His life was gentle, and the elements
So mixed in him, that Nature might stand up.
And say to all the world, this was a man!"

SENIOR PAGES

The Class of 1987
Time can pass so slowly when you're young
and want to grow.

And then in a short time you ask yourself-
"Where did it go?"

We always seem so busy finding new things
to discover,
We never stop and take the time to learn
about each other.

Sometimes we're bitter enemies, we argue and
we fight.
But just to know that we're still friends
makes everything allright.

And soon more time will pass and we will go
our seperate ways,
Not knowing what just passed will become
the good old days.

And possibly tomorrow we'll look back and
maybe cry,
In seeing all the wasted yesterdays that passed
us by.

So we should take each moment and enjoy the
time together.
Because today is here just once,
and then it's gone forever.

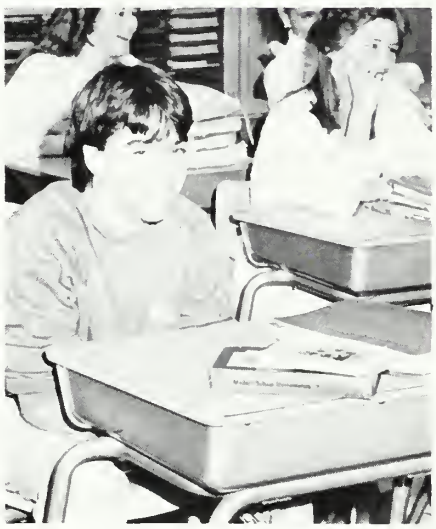
THE CLASS OF 1987 LEAVES BEST WISHES TO ALL.

WHITMAN-HANSON IS ALOT OF THINGS

It's not all jocks.

It's not all fun and games.

It's not all fine dining.



It's not all hard work.

It's not all big business.

And it's not all sax . . .

. . And violence.

IT'S JUST NEVER KNOWING WHAT TO EXPECT WHEN YOU PUT SO MANY PEOPLE IN ONE SMALL PLACE.

Look at me,
I'm not like you.
We're far from alike
In all that we do.
We don't go together.
Not in style, shape or size.
To say that we fit at all,
Would be to tell lies.
Yet here we are together,
I often see you in the hall.
Sometimes I smile and say hello,
Though I barely know you at all.

So the days go on,
And life does too.
I may see you every day,
But I don't even know who's you.
I don't know what makes you special,
Although I'm sure you must be.
Because everyone's special in some way,
Everyone- you and me.

ADMINISTRATION

DR. LOUIS PERULLO - SUPT.

Dear Members of the Class of 1987.

Congratulations upon your graduation from Whitman-Hanson Regional High School.

Four short years ago, you arrived at this high school to learn, to grow, to make friends, and to build a foundation of knowledge, values, and attitudes that will guide you through the years ahead. This year you leave with a fine education, solid friendships, memories, mostly happy ones I hope, and, most importantly, the desire to learn more- much more- firmly in place.

As you know the world we live in is constantly changing. Be open to this change. Be willing to take risks and be confident about yourself and your future. You can make a difference with your life, if you believe that you can and strive hard to do so. It will not be easy, but it will be worth it.

All of you can be happy. The secret is to give happiness to those you love and kindness to all you meet during your journey through life. Life is wonderful, live it to the fullest.

We at Whitman-Hanson have worked diligently to provide you the best educational opportunities available. We pray that what we have provided is enough to get you off to a good start.

We think that you are ready for the future, Class of 1987, go to it. Seek and give happiness. Seek and give love. Seek and give respect. If you accomplish these things, then you have made the world a better place for us all. God bless you.

Our best wishes are with you. And you will hold a special place in our memories. I will miss you and think of you often.

Sincerely,
Louis P. Perullo

MESSAGE FROM PRINCIPAL

As you read this message for the first time, you will be in the process of searching for your friends to have them sign your yearbook. Many exciting events await you - the senior prom, the banquet, graduation, jobs, college, marriage, etc., etc.

We have all changed significantly since the first day of school in September of 1983. We entered as strangers, and have become friends during the past four years. And now it is time to enter the "world" which we have spent so very long preparing you for.

As you enter this "world" leaving this life behind for the next, I wish that each of you are blessed with a life filled with the same sense of joy and eagerness that you feel today.

Sincerely,

Geralde S. Buckley

STUDENT LIFE

You never know what to expect when you start a new school year. It could be the best year of your life. Then again, it could be the worst. The 1986-87 school year brought in the class of '87 for their long-awaited reign as the "High and Mighty Seniors". They arrived optimistic, and ready to have the best year of their lives. Together with the classes of '88, '89, and yes even the class of 1990, they filled the school from one end to the other with a spirit unmatched. They had the spirit of the red and black. The spirit of the Panther.

YOU NEVER KNOW WHOM YOU'LL SEE AT CAMP KIWANEE

W-H STUDENT-COUNCIL MIGHT BE THERE, FULL OF ENERGY AND HAVING FUN

OR SOME MIGHT NEED MORE REST!

THERE ARE LOTS OF THINGS YOU NEVER KNOW AT WHITMAN-HANSON, LIKE . . .

Or how funny Steve will find the comics.

How good Mark and Kevin will think the summer reading is.

Or how glad Nicole and Kathy will be to have their pictures taken.

Or how guilty Joe and Mike will look when they have theirs taken.

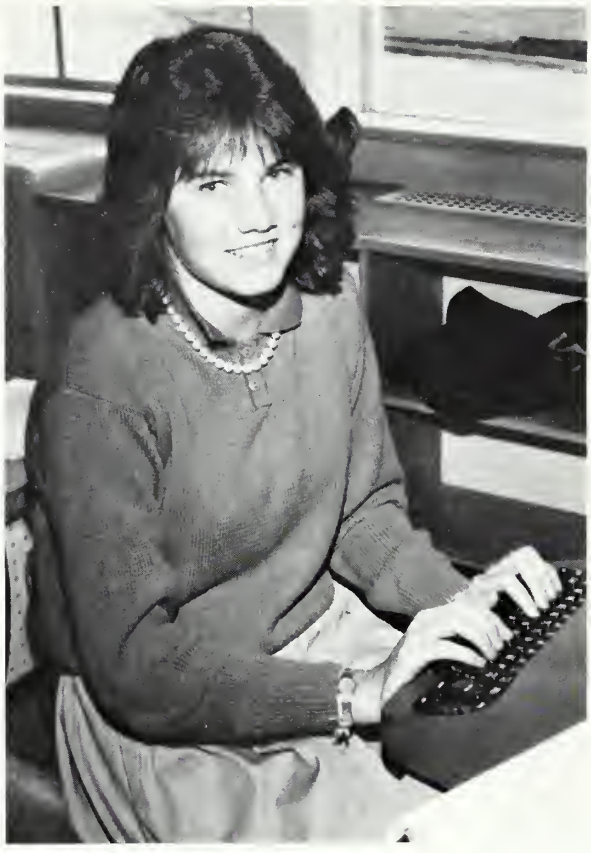
Or who'll pay attention in class.

Or who'll act casual.

Or who'll smile prettiest.

Or who'll just be there.

Or who'll be thinking of other things

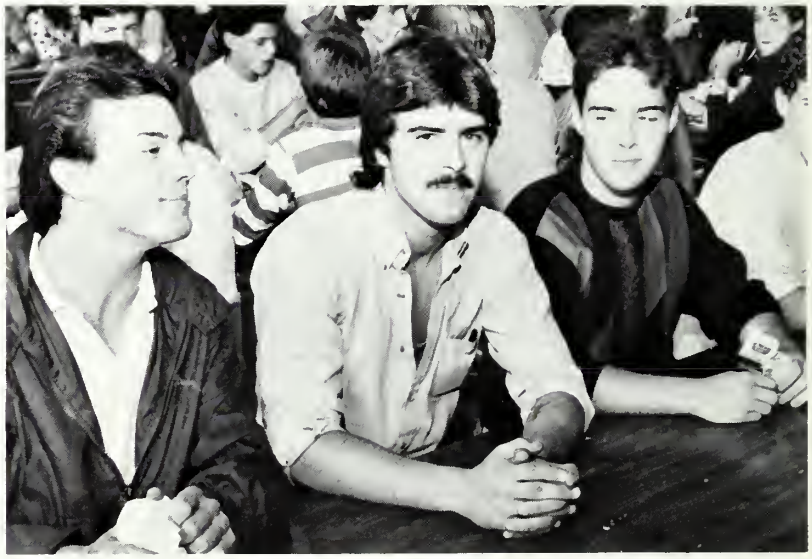


Who's learning big business.

Or what might be cooking in foods.

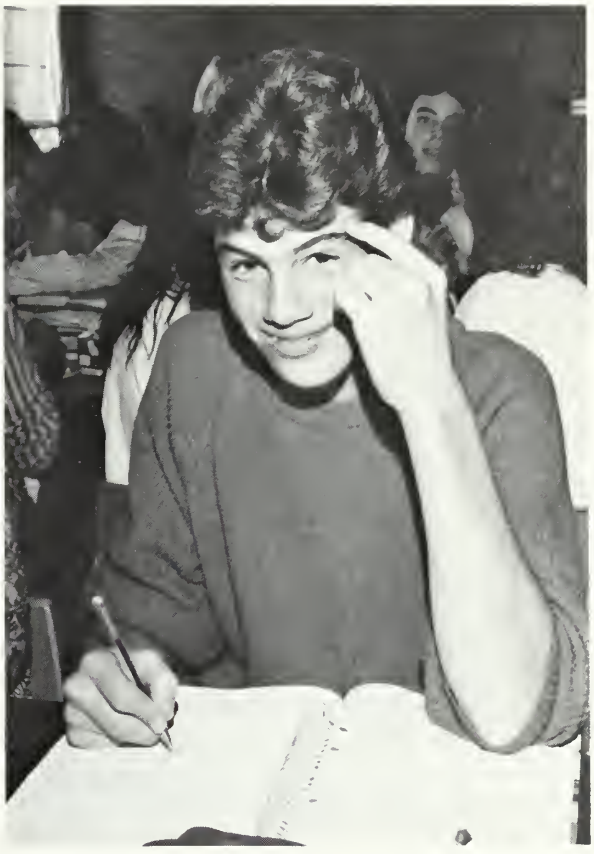
Or what great biology things Mr. Horkey will teach you.

. . . AND YOU NEVER KNOW



Or what they might already know.

Who's pals with whom.



Who has the brightest ideas.

Who enjoys lunch the most,

IT'S HARD TO TELL . . .

Who shares the best gossip.

Or who likes Whitman-Hanson Potato Puffs the best.

But what could go wrong when all the gang's here?

. . . Sharing their lives, their lunches . . .

. . . Well I guess you never know,

Do you?

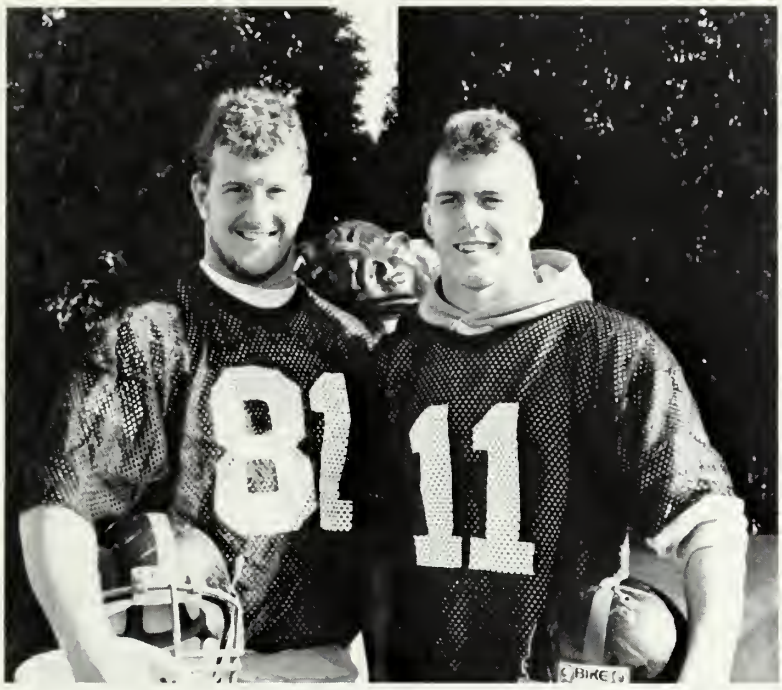
Is that Dan Marino or Scott Raynes?

YOU NEVER KNOW WHAT THE NEXT PANTHER PLAY WILL BE



CAPTAINS CHRIS & TRACEY

It all started our freshman year. We were undefeated. Our sophomore year only a chosen few played varsity. For the second year in a row we won the championship. The next year we got off to a slow start. There was more of us playing varsity that year and by the end of the season we were South Shore League champs once again. The next year was our senior year- our year to shine- and we did just that. We won six games in a row! The fans, the cheerleaders, the school, and the players were all hopeful for a chance at the Superbowl. The seventh game, against Middleboro, gave us our first loss of the season (14-13) and the loss of our chance at the superbowl. The memories of that game will bother us for the rest of our lives. If there was one thing learned from that game it was that winning wasn't everything. Although our spirits were a bit dampered we closed the season with a 9-1 record, and repeated being S.S.L. champs for our third year in a row. The memories that will stand out most in our minds are those of the love and friendship we have shared for the past four years.

Good luck,
Co-Captains

COACH WARD

From the first practice the girls soccer team looked promising. The season began with a tie against defending champs, Abington. After six games, our record was a respectable 2-2-2. The team consisted of several good underclassmen who proved more than worthy of varsity status. A tie against arch rival Rockland, was a highlight of the season. As the end of the season approached our record stood at 6-5-4, and we needed to win our next two games to reach the tournament. We didn't reach our goal, but our season was an improvement over the past one. Now that our last season is gone, the seniors would like to thank Mr. Ward for his coaching, and to wish the team future success.

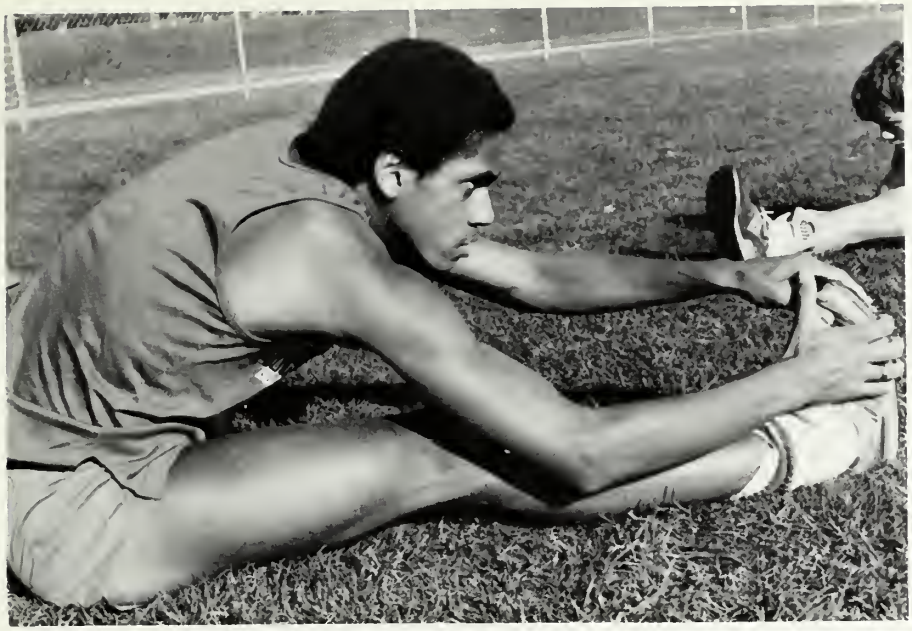
Duxbury	*39*	*20*



The 1986 Boys Cross Country team saw the season end with a record of 9-1. The team lost to Duxbury in an exciting meet that led to the Panthers finishing second in the S.S. League. Along with the high league finish, individual success was achieved by Bill Facella, Mike Miranda, and Dave Seaver in the League meet. In addition, the team won 4th place in the S.S. Principal's meet where 26 teams competed. Greg Ward was the S.S.L. J.V. Champion, and together with Derek Levangie, Derek Smith, Dave Maclellan, Dave Seaver, and Rob Hylen, helps to form the nucleus for a great season next fall. With such a fine record, the 1986 season should be looked upon with a feeling of accomplishment and a sense of pride.

The 1986 Panther Girls Cross Country team finished their season with a successful 7-2 record. Victories were led by varsity members Tara Martin, Sandra Marinelli, Pam Anctil, Chrissy Buckley, Jessica Nolan, Heidi White, Sue Grindle, and Lori Conway. Captaining the team in its meets and daily workouts were seniors Tara Martin and Sandra Marinelli. With only five seniors leaving the team, the 1987 season promises to be another good year for the Panthers.

Tara Martin & Sandra Marinelli

The shouts of school spirit are nothing more than a strong ringing in our ears. Our throats are sore but our hearts are happy. As the last piece of confetti falls to the floor and the one remaining streamer is pulled from the gymnasium ceiling, we, the Class of 1987 realize our final formal expression of Panther pride has just ended. The janitor sweeps the remnants of our last Whitman-Hanson pep rally from the gym floor, but the spirit of the Panthers will never be swept from our hearts.

The Panther basketball season was one of ups and downs, It had its good moments and some not so good moments. With its lack of height, the team had to rely on speed and quickness. The team had a good chance to qualify for the state tournament, but defeats in the last two games caused the team to just miss qualifying. Tom Champignie and Kevin Rogers were the leading scorers followed by Mike Gravelese with Mike Clifford and Jim Dudley providing some stellar defensive play. Scott Raynes, Steve Scott, Jim Sweeney, and Scott Boisjolie were capable reserves. Co-Captain Tom Champignie was elected to be a member of the South Shore League All-Stars. Hopefully next year will see the W-H Panthers make it to the tournament while overcoming some of the obstacles that got in the way this year. "Good luck, next year to the Panthers."

INDIVIDUAL PERFORMANCES

The Panther's Indoor Track team faced several challenges in its 86-87 season. The first was the arrival of new head coach, Scott Redpath. The second was the lack of a strong upperclass presence on the squad. The last was the schedule of experienced teams they faced in the talent-packed Tri-County League.

In only their second season, the Panthers were again unable to produce a dual meet victory, but did succeed in individual performances. Co-captains, Mike Miranda ('87) and Derek Smith ('88) achieved personal best performances on their way to qualifying for the State Meet in high jump and 600 yard dash, respectively. Sophomore Mike Bertoncini was another bright spot for the team, as he also qualified for the States in the 50 yard dash.

With a young squad of promising athletes and the return of Smith and Bertoncini, Coach Redpath is looking toward next year with high expectations.

Chrissy B. (most famous for her role in the Three Mousekateers) Where's Jessica and Sue?

Deb K. (most famous for arguing with Kim and Marie over who has to run against that fast girl from Norwell) Deb won this time.

Mr. Newcomb (most famous for totally ignoring any complaints) Better give it up Heidi.

Last year was the first year of Indoor Track at Whitman-Hanson. The girls team participated in three meets at Boston University in the Tri-County League, which consists of mostly private boys schools. By the end of the season the team had dwindled down to about eight members, and the team had a total of two points for the season. It was far from a success, but Mr. Newcomb decided to try it out again. Most of the original team returned for the 1986-87 season joined by a group of promising but somewhat nutty freshmen. Returning to Boston, and travelling to New Bedford, the girls found success in events such as the shot put, high jump, hurdles, and 300 yard dash. There is no doubt that the girls have a long way to go before they pose a threat in the league, but we have survived, and finished the season with a team of 27 and alot more than 2 points.

The team would like to thank Mr. Newcomb for giving us the chance to run and especially for putting up with us when we acted like girls instead of athletes. You're a great coach. We love you.

1987 RETROSPECT SUPPLEMENT

A Friend Like You
I want to be a friend like you;
I'd count my life worth while
If I could only learn to do
So much to bring a smile;
I wish that I could grow to be
In all I say and do,
Less like the one folks know as me
And more and more like you!
E.A. Guest

This supplement is fondly dedicated to friends. No matter where we go from here, we will always remember the friends that made High School bearable. It is also dedicated to our faithful friend and advisor who made this yearbook possible. We love you Mr. Pooler.

AN ODE TO THE CLASS OF 1987

Four years and some odd months ago
We began our trek down an unfamiliar road,
One that led us through joy, through pride, through sorrow,
One that gave us a chance for a brighter tomorrow.
In the classroom, we've experienced the trials of learning,
The testing, the succeeding, the failing, the yearning.
We had come from different backgrounds, had followed different trends;
We came together as strangers, and now we leave as friends.
Through the years we have grown in both body and in mind;
We strove for adulthood, left our childhood behind.
And though we've had our problems along the way,
We've united to overcome them, as if to say
That we can accomplish whatever task we're given
Because we are the seniors of 1987.
